The College

The College consists of two inter-dependent fee-paying schools within a single executive structure. The Senior School (pupils from 13 – 18), founded in 1841, is the oldest of the Victorian public schools and is predominantly a boarding school of some 730 pupils, and with the purchase of a new house, is aiming to become 750 pupils within the next few years. College includes a Sixth Form of approximately 300 pupils.

The Prep School is situated on the same campus as Cheltenham College in a beautiful setting with its own sports fields, lake and stunning views of Leckhampton Hill. Originally situated on the main College campus, it moved to its current site in 1908. The Prep is fully co-educational, day and boarding, and takes pupils from 3 to 13, with the majority preparing for Scholarships and Common Entrance for the College. There are approximately 400 pupils.
