

Boarding Leadership Team (BLT)

The BLT is designed to provide a meaningful way in which boarders can voice their opinions and have their views taken into account in decisions which impact upon them. It also allows boarders another individual that they can speak to should they have any ideas/ advice or concerns.

The BLT will meet once each half of term to allow the boarders the opportunity to further improve and develop the community. Meeting Minutes are saved on OneNote (*Example below*).
