Learning Support or EAL Level 1 (1:Many) / Level 2 (1:1)	£265 / £490

Parents are reminded that the College's Terms and Conditions, by which they agreed to be bound on entering their sons and daughters, stipulate that a full term's notice of intention to withdraw a boy or girl must be given in writing, otherwise full fees will be charged for that term in lieu of notice.

The Terms and Conditions also state that parents whose payment has not reached College or the College Bankers by the first day of term will, unless they are making payment by direct debit or have a prior agreement with the Bursar or some other arrangement, be charged interest at a rate to be published on the amounts outstanding on their accounts. The current rate is 8% per annum charged on a daily basis. Such interest will be added to the extras account for the term in which it is incurred. A charge of £50 will be made for each represented cheque or unpaid direct debit payment request.

These conditions are summarised on the account itself for ease of reference. It is the Council's firm intention that the above fees should be held constant throughout 2023-2024. However, Council reserves the right to impose a surcharge without prior warning on the fees for the Spring and/or Summer Term 2024 if it becomes essential to do so.
