

Pupil access to a person independent of the school staff

Cheltenham College ensures that there is an appropriate process of induction and guidance for new boarders whether they are joining at the start of a new year or at a non-standard time. To further support boarders, pupils have access to a person independent of the school staff group via the 'Independent Listener' document displayed on house noticeboards.

Please see the 'Independent Listener' document.

Please also see the Boarding House handbooks, which provide key information for new boarders.
